At the start of the program you will see a welcome screen that will prompt you to put in your name. After you do so you will be prompted to select one of two options

Select if you are a Seasonal Employee or a Permanent Employee. To do so enter 1 or 2 but DO NOT enter any other number or letter.

If you select Seasonal you will be prompted to enter your hours and nothing else because your payrate is predetermined.

```
1
Enter the hours you worked this week:
40
Azeem
Hours: 40
Weekly Salary: 400
Vacation: 20
Insurance: 4
```

Once you have entered the amount of hours you worked you will see the amount of hours you worked this weeks salary and the amount of vacation and insurance you have aquired.
